

Help to Find Work and Training

Whether you have just been made redundant, been furloughed, lost your job for other reasons, or have been out of work for some time, we are here to help.

Our professional Careers Advisers provide free up to date, impartial information and advice to help you move on in work and life.

Our support will provide you with the self-confidence, motivation and skills to help you achieve your goals.

We can help you to:

- Review your current situation & identify your skills
- Identify training needs
- Understand effective job search methods
- Find a course to get new skills and qualifications
- Develop your CV and interview skills
- Get matched to available jobs
