Dear Parents and Carers

I hope you have all had a great summer. It has been great to welcome you all back into school this week. The children have been busy getting to know their new classrooms and teachers. They have all been working hard and showing a fantastic attitude towards their first term this academic year.

Next week, you will receive curriculum leaflets for your child/children's year groups, which will contain information about all of their learning over the coming weeks.

There are lots of exciting learning opportunities next week for our children, including: girls football; 'Chance to Shine' cricket and brass instrument lessons for Year 4.

Our Year 6s will have the opportunity to make their House Captain speeches to the rest of the school and voting will then take place on the 22nd so watch this space.

Have a great weekend.

Mr Swift

Enrichment clubs

A letter went out this week from Miss Fahy with details of after school clubs that are running this half term. These clubs are on a first come, first served basis and can be booked through the Arbor app. Please ensure your child has their PE kits as necessary and snack with them in school on the day of their club.

Learning this week

The Year 6 DEARS team have been working together as a group to read and research all about Antarctica.

Year 3 got messy in their history lesson this week - learning about the Stone Age by investigating what they ate.. !

We have come together as a school today in assembly to celebrate and reflect on the life of Queen Elizabeth II and the magnitude of her service over her 70 years on the throne. The children shared their different emotions to the news and thought about how they can talk to trusted adults if they need to. Children have also spent some time in their classes looking back at her many achievements, challenges and celebrations over the years.

Queen Elizabeth II

21st April 1926 - 8th September 2022
