Dear Parents and Carers

Happy New Year!

It has been lovely to see everyone's smiling faces as we returned after the Christmas break this week. I hope that you all had a joyous and restful break and are looking forward to the year ahead.

We have started back to school well with every class using the book 'Tuesday' to start their English learning.

We are really looking forward to this term, and although it is a short one, it will be packed with brilliant experiences.

Have a great weekend,

Mr Swift

NO OUT SIDERS

This week, in our No Outsiders assembly, we watched a video created by Ranjit Singh. He is a bus driver from West Bromwich, and created a video to share with his family in India. The video and song share how there are lots of people working for the bus company and how they are all different but still work as a team. Everyone is different, but no-one is an outsider.

Learners of the week
