Reflection on our learning

Dear Parents/Carers,

We have had a brilliant couple of weeks since half term. Please do follow our facebook page to keep up to date with on the day updates and photos of your children's learning and experiences.

Year 6 are safely back from their brilliant trip to Ferny Croft and attention has shifted to the Music Soiree; School Trips; end of year productions; Summer Fayre and Sports Week. We are really looking forward to sharing in these events with you and want to encourage you to join us for what you can.

I have been blown away by the recent efforts of our parents, as volunteers have given their time to support the development of our Early Years outdoor learning environments. Thank you to all of you, who have supported with this and we look forward to sharing the finished environment with you all soon.

Have a great week and stay safe.

Be Kind. Show Respect. Aim High.

Mr. Swift

Trees of Knowledge

Art Club looked at the painting “Surprised by Rousseau. Our children worked on a project for 6 weeks: building their own museum outside, looking at images of tigers in the wild and in zoos and finally creating their own trees from clay. The trees were presented to the National Gallery in London along with the work of over 300 other schools. We have recently had it confirmed that our artwork has been selected to be on display in Trafalgar Square from 1st August to 1st September 2024. This is hugely exciting and I want to see a huge congratulations to the staff and children involved in the project. Mrs Lopez and Miss Batchelor led the Art Club and everyone involved has made us proud. Please do go and see our exhibition over the summer if you get the chance!

New Online Support Service

'The Sandbox' (<https://thesandbox.mindler.co.uk/>) which provides digital mental health support to children and young people have launched 'The Toolbox' - a free service that provides online support for neurodiverse children and young people.

Visit their website to find out more! <https://thetoolbox.mindler.co.uk/>

We particularly like their 'Livestream zone' where you can watch them play your favourite games while they answer your questions about neurodiversity.
