

### Guitar Tuition At Micklem School

Dear Parent

We are delighted to introduce our guitar tuition at Micklem School with Life Music. Lessons will be during the school day.

#### Tuition

- We supply bespoke music tuition during the school day, on the school premises, following a structured approach to learning whilst tailoring each lesson to the needs of the student. We support any students that wish to study for music examinations, both Rock School and classical grades and tutor them accordingly.
- We help and support many students gain a place at their chosen secondary school through the music criterion.
- We encourage all students to perform, holding regular concerts/assemblies throughout the year.
- We currently offer individual tuition for 30, 20 or 15 minutes and paired/group lessons for half an hour.
- We provide a total of 33 lessons throughout the year, 11 per term although this may vary each term.
- We provide an annual report of student progress and teachers can be contacted at any time for any queries or updates.
- **Children must have their own instrument.**

#### Fees

- Fees are charged on a pro-rata basis at a very competitive rate. **Fees are collected termly, in advance.**
- **Once children start it is assumed they will continue and we require half a terms notice for cancellation of lessons or payment of half a terms fees in lieu of such notice.**
- **Fees are payable on receipt of our invoice although we can make alternative arrangements. Please contact us for details.** Lessons missed through pupil absence are forfeited. Any lessons missed through absence of the teacher will either be refunded or made up for at a later date.

If you and your child are interested, please fully complete the slip below and return it to us, via email or text is fine, so that we can contact you directly over the summer with further details about the lessons and payment.

*Please do not send payment with your reply.*

*Please note that it is not always possible to provide your chosen lesson so please specify a preference.*
