## PTA

*What an amazing first term back we have had!*

*We kicked off the term with one of our ever popular discos, raising a whopping £744.60 for the PTA. The children particularly enjoyed the freshly made candy floss. A big thank you to our parent who gave up her time and donated the ingredients to be able to do this.*

*It was lovely seeing the children's faces when they were greeted by our 'Elfridges elf' whilst coming into school on Thursday 12<sup>th</sup> December. The children seemed to really enjoy the experience of shopping for their loved ones in the pop up shop. They even got to pay with real 'Santa Bucks!'*

*We hope that everyone had fun at the Christmas Fayre. Thank you to all of those that helped make it such a success.*

### Goal achieved!!

*The PTA would like to thank you all for your support and generosity last year and as a result of this we have managed to achieve our goal of raising enough money for a new bike/scooter shelter. This will be a huge benefit to the children as they now no longer need to walk on the mud or grass and this has solved a health and safety issue as the bikes and scooters are no longer blocking a fire exit. We also hope that this will encourage more children to travel to school on their bikes or scooters.*

### Next Project!!

You may have seen the summer house that has been built on the playground for some time now. The school have been hoping to use this as an additional learning space for the children to enjoy things such as music lessons, interventions and also as a quiet space for them to use during lunchtimes. The building currently has no electric and unfortunately due to budgets the school does not have the funds to pay for this in full.

The PTA held a meeting on Thursday 5<sup>th</sup> December and during the meeting we took a vote on whether this was something that the PTA could help with and we are pleased to announce that this was a resounding "Yes." The work is due to take place in the New Year.
