WOW!!!

What an amazing year we had last year! A massive thank you to everyone who helped us to raise a huge £6819.49 profit from all of the wonderful events that took place over the 2023/2024 period. This profit coupled with the funds raised by the PTA in previous years means that we now have enough money to fulfil our project of building a new bike/scooter shelter. We are well under way with putting this plan in action and work on this will be commencing shortly.
