Summer Stay & Play at Woodlands Pre-School 🌿

Looking for something fun to do with your little ones this summer?

Come and join us at Woodlands Pre-School for our Forest School-inspired Stay & Play sessions! Explore our beautiful outdoor environment, get messy with nature activities, enjoy sensory play, crafts, baking and much more.

✨ Our first session is FREE!

♥ Parents and carers attend free of charge.

♥ Just £2 per child for future sessions.

♥ Younger and older siblings are welcome too, so bring the whole family!

Whether you're looking for a preschool for your child, want to meet other local families, or simply fancy a fun morning out during the holidays, we'd love to welcome you.

We also have a dedicated SEND Stay & Play session on 19th August, with our experienced SENCo available to offer support and answer any questions.

See the attached poster for dates and booking details.

We can't wait to meet you! 🌳 🐛
