Dear Parent/Guardian,

Re: Service Children in Education – Updating Records and Support

As part of our commitment to providing the best possible support to our pupils and their families, we are currently updating our records. We would like to ensure that all children who are service children are accurately recorded.

If your child is a service child, we'd be grateful if you could let us know. A service child in education is a student who has at least one parent or primary carer serving in the regular UK Armed Forces, including reservists, or who has served at any point during the first 25 years of that person's life.

All information shared will be treated confidentially and used only to support your child's education and wellbeing.

To update us or ask any questions, please contact either Mr Swift or Miss Palmer.

Thank you for your cooperation in ensuring our records are accurate and that we can provide the best possible support to all our pupils.

Yours faithfully,

Mr J Swift
